What is a Philosophy of Nursing? - ECPI University What is a Philosophy of Nursing? A philosophy of nursing is a statement, sometimes written, that declares a nurse's beliefs, values, and ethics regarding their care and treatment of patients while they are in the nursing profession. Although the philosophy may seem solely academic and too cerebral to be of any use, it is vital to approaching your profession in an appropriate manner. Florence Nightingale | Philosophy of Nursing Nightingale's philosophy of nursing practice still rings loud and clear today and will most likely continue to influence nursing and healthcare alike. It seems to me that she would want nothing more than for us to enhance and build on her theory, thereby honoring the nursing profession, and exceeding the mark of her philosophical legacy. How to Figure Out Your Personal Philosophy of Nursing ... Writing your personal philosophy of nursing is all about critical reflection. Exercises in critical reflection assist in "building theoretical understanding and promote confidence in learning" and in discussing nursing theories (Hernandez, 2009, p. 343, 347).
