Phoebe Lane is a lightning rod for monsters.

She and her mom are forced to flee flesh-eating plants, radioactive ants, and blobs from outer space. They survive thanks to Phoebe's dad's invisible titan, whose giant eyes warn them where the next monster attack will take place.

All Phoebe wants is to stop running from motel to motel and start living a monster-free life in New York or Paris. But when her mom mysteriously vanishes, Phoebe is left to fend for herself in small-town Pennybrooke.

That's when Phoebe starts to transform!

Christian McKay Heidicker, author of *Cure for the Common Universe*, returns with a book unlike any other, challenging perceived notions of beauty, identity, and what it means to be a monster.
